RECITALS

A. The Owner is the fee simple holder of certain real property in the Village of Caledonia, Racine County, State of Wisconsin, described as Lot 3 in Certified Survey Map No. 3552, of record in the Office of the Register of Deeds for Racine County, Wisconsin, as Document No. 2653548 and having Tax Parcel Number 51-104-04-22-30-038-030 and Outlot 1 in Certified Survey Map No. 3552, of record in the Office of the Register of Deeds for Racine County, Wisconsin, as Document No. 2653548 and having Tax Parcel Number 51-104-04-22-30-038-011. Said real property is referred to in this Agreement as the "Property". A copy of Certified Survey Map No. 3552 ("CSM 3552") is attached hereto as EXHIBIT A.

B. As a part of the approval by the Grantees of the development of the Property, the Grantees have required the Owner to construct, at Owner's own cost and expense, a stormwater drainage plan for the Property as described and prepared by Pinnacle Engineering Group, dated and Professional Engineer Stamped August 1, 2022 and Onsite Civil Engineering Infrastructure Plans (Mass Grading Plans) for the Property, prepared by Pinnacle Engineering Group, dated and Professional Engineer Stamped August 4, 2022 as may be approved and/or amended from time to time by the Grantees, attached hereto EXHIBIT B and incorporated herein (the "Plan"). Said Plan includes, in part, the construction of the Four (4) Stormwater Retention Ponds (collectively, the "Ponds", in singular tense, the "Pond") described therein and herein. The Grantees have further required as part of said approval that the Owner enter into this Agreement with the Grantees, setting forth the Owner's responsibility to maintain the Plan and provide the Grantees with access to the easement areas described below.

C. The Grantees have requested that the Owner grant a non-exclusive permanent easement (referred to in this Agreement as the "Stormwater Pond Easement"), as may be necessary for the Grantees to exercise their rights under this Agreement, over that portion of the Property shown and described in attached EXHIBIT C as the "Stormwater Pond A Easement Area"; the "Stormwater Pond B Easement Area"; the "Stormwater Pond C Easement Area"; and the "Stormwater Pond D Easement Area", (hereinafter collectively referred to as the "Stormwater Pond Easement Areas").

D. As used in this Agreement, the term "Drainage Facilities" shall mean the Plan, the Stormwater Pond Easement Areas, and the drainage swales, drainage ditches, pipelines, laterals, culverts, storm sewers and any other structures or improvements that are constructed or installed upon the Stormwater Pond Easement Areas from time to time by the Owner or Grantees, or any other person or entity, or their contractors, successors and assigns, for the conveyance of surface and storm waters over, across, under and through the Property.

AGREEMENT

For \$1.00 and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Construction, Use, Operation, Cleaning, Maintenance, Altering, Repairs and Replacements of Drainage Facilities. The Owner agrees to construct, use, operate, clean, maintain, alter, repair and replace the Drainage Facilities, including, without limitation, mowing, control of weed and algae growth, repair of erosion, and the removal of trees, brush, vegetation and silt, and all other obstacles to the flow of surface water to and from the Drainage Facilities, so that the Drainage Facilities function properly and to their design capacity for the storage and conveyance of storm water, and so that there are no obstructions interfering with the location, construction, use, operation, cleaning, maintenance, alteration, repair and replacement of the Drainage Facilities, all in conformity with this Agreement and the Ordinances of the Village of Caledonia and any recorded restrictive covenants applicable to the Property. The Owner shall prevent the Drainage Facilities from becoming a nuisance.

2. Failure to Construct, Clean, Maintain, Alter, Repair and Replace the Drainage Facilities. The Grantees shall have the right, but not the responsibility, to enter upon the Stormwater Pond Easement Areas in order to perform construction, cleaning, maintenance, alterations, repairs and replacements of the Drainage Facilities if the Owner fails to do so after receiving a written request from the Grantees. The Owner shall be given at least ten (10) business days after the date of said written request to perform whatever construction, cleaning, maintenance, alterations, repairs and replacements are deemed reasonable and necessary by the Grantees as required by this Agreement and as stated in said notice. Provided, however, that in the event the Grantees determine that emergency action should be performed, then the Grantees may enter upon the Stormwater Pond Easement Areas immediately and perform said emergency action. The Owner shall reimburse Grantees for all reasonable and actual costs incurred by the Grantees in performing said construction, cleaning, maintenance, alterations, repairs, replacements and emergency action, including, without limitation, any construction, engineering, legal and administrative costs with respect to the same, upon receiving an invoice for said costs. If Owner fails to pay said costs, then said costs may be assessed upon the parcels within the Property by the Grantees as a special charge as provided in Wisconsin Statutes Sections 66.0627 and 66.0703, and Owner consents to said assessments and waives notice and hearing with respect to the levying of said assessments in accordance with Wisconsin Statutes Section 66.0703 and/or 66.0627.

3. Alteration or Changes to the Drainage Facilities. The Owner shall not make or construct any alteration or change to the Drainage Facilities or within the Stormwater Pond Easement Areas, including, without limitation, any alteration or change in the size, shape, capacity, rate of inflow or rate of outflow of the Drainage Facilities, unless the Grantees approve the alteration or change in writing prior to the making or construction of said alteration or change.

4. Indemnification. Owner shall, and hereby does, indemnify and hold harmless the Grantees, and their successors and assigns, employees, officials, commissioners, contractors, consultants, and agents from and against any claims, actions, judgments, damages, costs, and expenses (including, but not limited to, reasonable actual attorney fees) and/or liability of any nature whatsoever (but excepting therefrom any liability which arises as a result of the negligence or intentional acts of Grantee), that may arise, directly or indirectly, as a result of (i) the existence, construction, use, operation, cleaning, maintaining, alteration, repair, and/or replacement of the Drainage Facilities and/or the Stormwater Pond Easement Area, and/or (ii) any property damage and/or bodily injury (including death) that may arise or occur as a result of the foregoing and/or at such locations.

5. Insurance. Owner shall, at Owner's own cost and expense, and prior to the construction of the Drainage Facilities, obtain and maintain a policy of general liability insurance, from a Wisconsin-

licensed insurance carrier, that (i) has coverage and policy limits typical and in keeping with industry standards, and (ii) has the Grantees named as additional insureds, to insure Grantees against the liability stated in paragraph 4 above. Such insurance shall be kept and maintained by the Owner or its successors throughout the entire term of this Agreement.

6. Grant of Easement. The Owner hereby grants to the Grantees, and to the Grantees' employees, officials, commissioners, contractors, consultants, agents, successors, and assigns, the easement rights described herein, over, across, under and through the Stormwater Pond Easement Areas, for the purposes of (i) performing its duties, responsibilities, and easement rights imposed upon and/or granted to the Grantees under this Agreement, and/or (ii) inspecting, monitoring, and/or testing the Drainage Facilities, and (iii) for conveying and/or storing surface and storm waters in, over, across, under, and/or through the Drainage Facilities, to the from such locations and to the extent set forth in the Plan.

7. Further Owner Requirements.

- (a) No fences, structures or improvements will be erected, and no trees, bushes or other vegetation will be planted, within the Stormwater Pond Easement Areas, without the written consent of the Grantees; and
- (b) The elevation of the existing ground surface within the Stormwater Pond Easement Areas will not be altered without the written consent of the Grantees.

8. Repair and Restoration of the Property. The Grantees shall reasonably repair any damage to the Property caused by the Grantees and restore the surface of the Property disturbed by the Grantees: (i) construction, use, operation, cleaning, maintenance, alteration, repair and replacement of the Drainage Facilities or (ii) ingress and egress through the Stormwater Pond Easement Areas. Said restoration shall be to the condition that existed prior to the Grantees' entry on the Property; provided, however that the Grantees shall only be required to (i) restore any disturbed areas of soil with grass seed, and (ii) restore any disturbed paved portion or gravel portion of the Property with similar materials.

9. Non-Use. Non-use or limited use of the rights granted to the Grantees in this Agreement shall not prevent the Grantees from the later use of said rights to the fullest extent authorized in this Agreement.

10. Covenants Run With Land. All of the terms and conditions in this Agreement, including the benefits and burdens, shall run with the land that is the Property and shall be binding upon, inure to the benefit of, and be enforceable by the Owner and the Grantees and their respective successors and assigns.

11. Warranty. The Owner does hereby warrant and covenant that the Owner owns the Property in fee simple and is lawfully seized and possessed of the Property; that the Owner has a good and lawful right to grant the rights granted to the Grantees hereunder, that the persons executing this Agreement on behalf of the Owner are fully authorized to execute this Agreement on behalf of the Owner; and that this Agreement is the binding obligation of the Owner.

12. Term. The term of this Agreement shall continue indefinitely, in full force and effect, unless and until amended and/or terminated with the written approval of the Grantees.
